Town and School Elections

Standard News

As will be seen from advertisement in our columns, the annual ratepayers meeting for the Town of Strathmore will be held in the Town Hall on Friday, January 25th. The usual audit will be presented, and reports given by the Mayor and chairmen of committees.

Nomination day for Council and School Board is on Monday, February 2nd.

This month ends Mayor Bell's term of office, and it is not considered probable that he will again run, though being strongly urged to do so. In fact it would appear that other candidates will seek nomination, and it is hoped that enough new names will be forthcoming to make a contest.

Town of Strathmore Municipal and School Elections, 1925

Public Notice is given that a meeting of the electors of the Town of Strathmore will be held in the Town Hall on Monday, the 2nd day of February, 1925, from eleven o'clock in the forenoon until twelve o'clock noon, for the purpose of nominating candidates for the office of Councillors (three vacancies) and for the office of Mayor, for the next ensuing two years. And at the same time and place a meeting of electors will be held for the purpose of nominating candidates for the office of School Trustees (three vacancies).

Given under my hand at Strathmore this 20th day of January, 1925.

Horse Meeting Saturday

Irricana News

For various reasons there was not an attendance sufficient to justify a meeting at the King Edward for the purpose of taking steps to further a horse sale here this spring.

It was decided by those present to have the sale at the King Edward this week, January 24th, at 3 p.m. at the King Edward. If there is not a sufficient attendance the project will be dropped, which would be a pity, as the opportunity is here for disposing of horses having been collected at good prices, and permanently assisting the breeding industry.

Therefore if you are at all interested in the matter, be on hand Saturday. A number of horses have been offered for this auction by mail and phone.

Wear, Suite 1F, 2002 Ave J, Brooklyn, New York, formerly of Standard, will be interested to know that they are on hand to congratulate the birth of a son, Gordon Jr., born January 7th, 1925.

Mrs. H. B. Grant left on Saturday for Calgary en route to the States, where she will spend a few weeks.

Mr. and Mrs. Paul Bushman were passengers to Calgary on Saturday's train.

The Calgary Standard train service has changed and the new schedule is as follows: No. 516 from Calgary arrives at Standard at 3:03 p.m. No. 515 to Calgary arrives at Standard at 12:56 p.m. The train to Standard leaves Calgary at 12 noon, and No. 515 arrives in Calgary at 4:10 p.m.

Peter Peterson returned from Lethbridge with his features all a golden glow, and sporting a waddles wad. Peter's summers have become something wretched to transit.

The U.P.W.A. chicken-pie supper was unquestionably a phenomenal success from every angle, which includes the camp beds, which was one of the main attractions. The neatly packed chocolates were rapidly devoured, and in one instance which we know of, fetched the fabulous figure of twenty dollars per pound. After supper the Keoma Glee Club presented a short program, consisting of songs, all extremely original and amusing. The concert began by Chairman McMcNamee's opening remarks, and immediately followed by a beautifully rendered performance by Mr. and Mrs. T. W. Hull. The ditty, "The Three Piglets", presented by three little tots, pupils of Mrs. Hull, received an ovation from the packed hall. The songs were admirably sung, especially Mr. Fred Brown, who was in excellent voice, while Jimmie Shepherd, a product of Irricana, excelled in "Virginia" and also in "Genevieve", and was well received by the audience. We regret that space will not permit a more detailed account, as the artists did wonderfully well, and at the end of an entertainment of most generous proportions, one almost felt a sense of depletion, and we will be happy in the prospect of listening to the Keoma Glee Club before the season closes.

We would certainly cheerfully have given a five-spot to be in your boots, Jimmie, old chap, but why kiss the pretty girl behind the ear?

During one supper hour Tom Hull delighted an audience at the Palmetto by singing the old grand melody, "Silk Sprays amongst the Gold". An uporous old fellow was afforded the singing.

Leonard Bros. shinned two cars of beef cattle to the Calgary stock yards on Tuesday.

Mr. Fred Davis returned to Calgary after spending a few days at the ranch. Mr. "Willie" Marshall, King of Namaka Olydes, accompanied Mr. Davis.

Mr. B. R. Wilson is a business visitor in Calgary.

Mr. R. L. Stone, and Mr. J. W. McCulloch witnessed Friday night's hockey game at Calgary.

How Much Do You Owe Local Merchants?

(Bowmanville Statesman)

If everybody paid their debts promptly the average business man would have a much easier time doing business and could keep his goods for a longer time. The very reason why he has any Bowmanville business man; he knows. Human nature is the same wide world over, and therefore a news item from a southern city will be as much appreciated here as there. Every business man should take care to give it their endorsement as a regular practice; honest folk will not be wanting in sympathy for the unusual courage taken by a Hagerstown, Md., grocer to explain his insolvency. Samuels was so stung by the remarks made from time to time by the persons posted on his door from a list of persons who he declared owed him money and stated that if they had paid their debts he would have been able to pay his. "These people forced me into bankruptcy," said the sign over the names.

In the list, says the correspondent reporting the affair, were the names of some of the prominent housewives of the town. They were usually but not gaily dressed, and about twenty of the women stormed the shop and tore the sign down.

Of course it was humiliating to them to have their names placed on the public record, but it happened all the same, if the grocer told the truth, as he probably did—their shame was not undeserved. The bankrupt suffered worse than humiliation: he lost his business as the result of "exposing" certain persons who failed to meet their obligations, and he can hardly be blamed for wanting to share his humiliation for it.

The incident is illuminating as an example of the manner in which pettiness often creates a malignant atmosphere in business. Probably most of the grocer's debtors owed him more than a few dollars each. Yet in their total these bad debts ruined him and his involvement in the community. His misdeeds may cause annoyance to far more than those directly concerned. Happily most people pay their debts; otherwise it would be impossible to do business on a credit system without credit commerce would languish.

The southern housewives whose names were made public as debtors are angry now; but no doubt in their hearts they are also a little remorseful. They have learned what the consequences of not paying even small debts may be. If they are more conscientious in meeting their obligations promptly thereafter, the grocer's revenge will have served a good purpose.

"In Canada Where the Hard Wheat Grows"

Editor, Standard:—I am a Canadian foreign settler, and Miss M. H. Hart. What is the matter with the foreign settlers? I think that some of the foreigners are just as good farmers as those from the U.S.A., as we have good farmers from the U.S.A., and foreigners in every country because they work hard, and to my opinion, Mrs. Hart, that it does no harm to you, but the way I see it will do you a lot of good. They help you out in every way. The foreigners that I know in the U.S.A. We came from the U.S.A. and from different nationalities from faraway foreigners, they were to start with, in fact we would like to see Canada in the same place today as the U.S.A.—PET NAZAREK

Yule District Notes

In spite of the severe weather the school attendance is good. Bay and Mary Oxford have been unable to attend school for the last week because of severe colds. We are glad to hear they will soon be able to absent.

Three car loads of hogs were shipped from Strathmore to the market January 12th. One car load belonged to Geo. Green, Geo. Collins and E. A. Beck of Bassano. Geo. Green and E. A. Beck, who had charge of the shipment, went to Calgary to attend to the unloading.

The dance put on by the Meadow Brook community on January 9th, was quite successful. There were about a hundred people present, most of whom had a most enjoyable time. Many compliments have been received by the young people as to the way the dance was run, and because of the splendid music provided by the Lewis orchestra. The young people felt well entertained.

The young people of the Vale District have been disappointed this winter because the severe weather and so much snow which has prevented their midwinter skating on Stubbins' lake. The favorite pastime of the past few years has been entirely interrupted so far.

Saturday evening, January 10th, a fourhorse load of young folks went to Gleichen to the rink to skate, afterwards meeting at the home of Miss Vicki Whittle. They were seen with a delicious lunch, returning home later in the evening.

We have two excellent four-tube radios in our district, owned by Mr. P. Elmer and Mr. C. N. Nelson. Many neighbors have spent pleasant evenings enjoying concerts, through the courtesy of these two radio fans. The severe winter has brought out a new type of sedan. Drivers have come to the conclusion that sides, doors and windows are the best protection against the cold. This makes it very convenient for them to be cold when necessary, and fits a car when supplied by implement dealers.

NIGHTINGALE NOTES

A kitchen shower was given on Wednesday evening last in the Hall for Mr. and Mrs. Harold Benson, the new bride and bridegroom. The happy pair were presented with many useful presents. A good time was spent in speeches, dancing, etc., the hilarity being kept up till 2 a.m.

The Community Club met at Valley Gardens school last Friday. While dancing was enjoyed until an early hour in the morning, by a large number of people.

The annual meeting of Valley Garden School District was held last Thursday. R. A. Lambert was elected trustee in place of Mr. Slomaker. Art Gladden was appointed secretary.

We are sorry to hear that Mr. Cliff Kinnell was again visited by fire, his residence having been to the ground. Tuesday morning he came in to tell us he had the misfortune to be burnt out about two years ago. Most of the furniture was saved with the help of the neighbours.

Most of the Nightingale people are attending in the Convention at Calgary. There seems to be more interest than ever taken in the Convention this year.

Social-Personal

Mr. W. L. Gilbert left on a visit to Toronto on Saturday.

Mr. W. B. Cope, who has for the past two years been conducting a successful tailoring business at High River, has opened a new shop in Strathmore.

A large number of local people are attending the U.F.A. Convention in Calgary this week. The Convention opened Tuesday forenoon.

Don't forget to attend the ice carnival to-night.

Congratulations to Mr. and Mrs. Fred Moore, Saskatchewan, on the birth of a son last week. The birth of a male baby or girl's dress shoes is offered by a local merchant. Essays should be sent by the end of this month to the office of the Standard.

Mrs. O. R. Booth and Mr. Gothard Sr. were elected to attend the U.P.A. and U.P.W.A. convention this week.

The deal took place on January 12th, the only winter for a number of years, with a number of Strathmoreans, who are members of the U.P.A. and U.P.W.A., convention this week.

The death, which took place on January 12th, of Mr. and Mrs. George Murray, the parents of Mr. and Mrs. John Murray, who are members of the Knights of Columbus, occurred at their home in Culver City, California. Mrs. Seymour was one of the original members of the Knights of Columbus, and the news of her death will be received with much regret locally.

The death took place on Monday last of Mr. George Murray, a past grand master of the Grand Lodge of Alberta, A.F. and A.M., at his home near Whittle. During his term of office he was a member of the Knights of Columbus Lodge, and made many friends among the brethren. The funeral, with full Masonic honours, took place on Thursday afternoon.

Craigantler News

Being a nice night on Friday of last week, about fifty of the Craigantlers surprised Mr. and Mrs. F. Dankwerth, and one of the most enjoyable evenings was spent at whist and dancing. Mr. and Mrs. Dankwerth always make the crowd welcome, and they go home happy.

The Craigantler school trustees re-signed their contracts for the coming year. Two days following the janitor resigned. But the school will keep open, and go on the same as before.

H. B. Grant left on Saturday last, and won't be back for a few weeks. After his return he will go to his home in California, he will return to Deer Lodge, Montana, where he will attend the annual meeting of the company.

The other being quite a number of people are going on sight-seeing and visiting each other. Most of the people are sure the worst of the winter's over.

Mr. and Mrs. Melsen were visiting with Mr. and Mrs. Andy Hansen last week.

Mr. and Mrs. P. Mall are getting used to the prairie. We would like to have Fred come out with the crowd and shake his feet once in a while.

No inviations—all are welcome. Mr. Moffat was a member of the band. Moffat will be here next week. It is proposed that the class from the north and south will gather to celebrate the birth of Bobbie Burns. Mrs. Moffat will have the haggis in good shape, and Jim Ramage will address us.

Rockyford Locals

Dr. L. G. Robinson is expected back about the middle of February. He is now in the Peace River Country.

Mr. H. A. Maurice has moved to his farm one mile south of Rockyford.

Frank Budd, well-known in Rockyford, was arrested last week on a charge of theft. The preliminary trial was held a week ago at Bassano, and he was sent up for trial. He is now out on bail. He is alleged to be involved in a transaction in pasture land.

Mrs. E. O'Neill, of Calgary, is at present visiting her daughter, Mrs. Mary O'Neill, and friends, in Rockyford.

The new village hall is going along in fine shape, and will be ready for occupancy within a month. Any who wish to donate, the committee will be glad to accept their donations, and if you have already promised, the committee will be pleased to receive your donation at any time now.

The village council met on Monday evening, all the members took place, regarding water rates and sanitary matters. Rockyford citizens should turn out to these council meetings and keep in touch with what is being done.

Baseball teams seem to be the popular sport in Rockyford. The bank staff and the merchants clashes on Sunday in a mow-the-gate game. There is quite a bit of talk of forming a town league and more games are scheduled for Saturday. A baseball ball game between married and single men on the main features of the carnival last Friday evening.

Friday's ice carnival was favored by fine weather and the races, etc., were well attended. The attendance was very good. The Ice Club are to be congratulated on the success of the evening. Details next week.

On January 28th, there will be another meeting at the Union Church, for the organization of a Horse Breeders Association under the Federal Government plan. All interested in the breeding of high class draft horses are asked to meet as soon as possible to secure the services of the best horses in the country at less than half the usual fee. Mr. R. E. Wilson, of the Livestock Branch of the Department of Agriculture, will be present to address the meeting and to assist in organizing the club.

Leyden School District papers held their annual meeting on January 25th. Mr. J. H. Dohmen was elected to fill the vacancy caused by the retirement of Mr. R. Dyer. The new board consists of H. Dunsmore (chairman), L. Bessie, and M. Heindlmann. Mr. E. W. Pust is secretary-treasurer.

Quite a crowd went up to Wheaton on Wednesday night, for the box social and dances. Three or four carloads left Rockyford under the direction of Mr. Tom Bensted, and everyone certainly enjoyed themselves. \$117 was raised at the social towards the piano fund.

Roppel were re-elected president and secretary respectively by acclamation. Mr. H. Dunsmore was elected delegate to the annual Convention at Calgary this week. Directors elected were: Howick, C. A. Smith, August Stain, H. A. Cammaert, and T. Bensted.

Nighttime played Rockyford a hockey game on Thursday afternoon, resulting in a win for the locals. The Rockyford Girls' Hockey Club will meet on Friday of this week at the home of Miss Pauline Griffiths. Miss Pauline Pust is giving a talk on Tuesday evening to the members of the Club.

Miss A. Wells has left the employ of the Rockyford Drug Company. She will reside in Calgary for some time, and will return to Rockyford to the employ of Messrs. Miller and Dahm's employees here Tuesday, when a can of gasoline exploded, burning his face and hands badly. The granary in which the can was kept was blown up. The man was taken to Calgary for treatment.

Rosebud Notes

The concert held in the Government school house on December 11th, was a decided success. Miss Irving deserves great credit, as well as the people, who gave such excellent numbers.

If the business men of Rosebud would arrange to have some sort of a barn舞 where country people could sit down and remain in the winter when they drive from a distance they might have more patronage and better natured farmers.

T. W. Schultz and wife are in Calgary for a short time. Mrs. Schultz will remain and take treatment as she is in very poor health.

A "sure enough" surprise was pulled off at the Gross home on the evening of January 16th, when about forty people were in and awoke Miss Nellie from her slumber, and reminded her that she had a birthday. She was surprised to find a large number of presents, including a diamond ring, everything from a pair of golf hose to a wee little kitten. Whilst was played until a late hour when the guests departed, wishing her many returns of the day.

Mrs. "Shorty" Cox will return home this week, after several weeks absence, having been taking treatment for her eyes in Calgary.

Mr. and Mrs. Frank Archer were callers in the Forks home Saturday.

The novelty dance given in the hall Friday night was a great success. Everybody had a jolly good time.

The whisky party held on the 12th by the U.P.A. was well attended. Mr. H. Dunn, Mr. H. H. Dunn, Mr. H. Dunn, and Mr. Bayham walked away with first honours, and Mrs. McGowan and Mr. Jack Gow were consulted with a deck of cards and a bottle of ink. The next party will be held on the 26th, and is to be held in the hall. The girls are to bring lunch, consisting of either sandwiches or sandwiches.

Don't forget the Old Time Dance to be given in the hall on the 25th.

Mr. Harvey Hyman and Miss Irving will compete for the best dancer in class while Misses McPhee and Mr. George Harbor and Miss Emily in a fox trot last Friday night.

Howard must have a cast iron will, for he has all kinds of temptations placed before him. This time his prize was a pipe. As he has no other use for it he is saving the long evenings away blowing bubbles.

Open Riley transferred his horses from South to town to another pasture north of town. It keeps everyone busy getting their stock cared for this hard winter.

A card party at the Miette home on the 13th gave all a joyous time.

R. W. Brunner is going into the wholesale fruit business. His first shipment arrived on January 8th, 1925, consisting of one orange from Tampa, Florida.

Just as we are ready to mail this comes a report that a big rabbit drive is in progress on the Brunner ranch, where they tell us there are a million rabbits. Will report how many are still at large after this hunt in the next issue. A late report arrived stating that eighty rabbits were killed within one hour. The hunter killed eighteen without moving an inch, and several dozen more would have fallen had Mr. W. Hynes not become exhausted.

He kept his eye on the rabbits. Those that engaged in the hunt were: R. W. Brunner and son, L. W. Comstock and hired man, Bill Hynes and three sons, and D. Medlocke and brother-in-law.

IRRIGATION COURSE

Plans are going forward for the special course in irrigation to be held at the Dominion Experimental Farm at Lethbridge for one week commencing February 2, under the auspices of the Dominion Experimental Farm Branch and the Provincial Department of Agriculture. The course will be similar to that held last year in which such keen interest was taken. The course will be opened on Hon. G. H. Hadley on February 2, and among those who will give instruction and addresses will be S. G. Carlyle, Live-

Rev. Father Boltz

REV. FATHER BOLTZ WINS AUDIENCE BY SPLENDID RECITAL

Rev. Father Boltz won a place to himself in musical circles here, says the Canadian Alberta. He appeared in recital Friday evening at the Al Ahar Temple and Joseph Maguire, already known to Calgary audiences for the great quality of his voice was the assisting soloist.

Versatile Artist

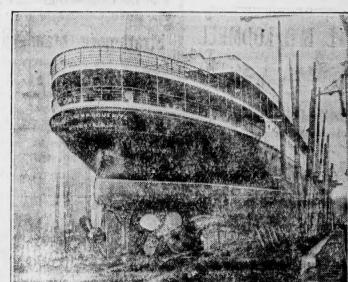

versatility, keen interpretation and brilliant technique marked the performance of Father Boltz. An enthusiastic reception was accorded him by the musical audience present. Father Boltz chose as his first number Beethoven's beautiful "Moonlight Sonata," a number which never fails to move the audience.

He displayed a depth of feeling bringing out the rich harmonies with a firm legato touch. The presto agitato movement closed in a rapid flight of airy music, displaying his skill as a technician. This movement was beautifully handled. "German Dance in C Major," another Beethoven number, was the closing composition in this suite.

Joseph Maguire in Fine Voice

Joseph Maguire was then heard to sing "Morning Mood" from the Peer Gynt suite (Grieg), with its melancholy cadences, was also a popular number. In the last group, Rachmaninoff's "Prelude No. 2," "Tone Poem," "Babbling Brook," and "Intermezzo of the Erl King" were beautifully sung.

Father Boltz has made many musical friends from his first official appearance in Calgary, who will look forward to hearing him again.

01 BEFORE LAUNCHING

The "Prinz Eugen" Margrave, built at Clydesdale, with a sister ship, the "Princess Katharine," for service between Vancouver, Victoria and Seattle under the Canadian Pacific flag. The new vessels, of 6,000 tons, were specially designed for service on the Pacific coast. They can carry 1,000 passengers and a speed of 22½ knots, will considerably reduce the time between the mainland and Canada's western playground—Vancouver Island.

Calgary, Alta.—According to estimates local grain men 125,000,000 bushels of wheat has passed through Calgary since the opening of the shipping season on September 1. The actual number of cars impeded was 13,155. Vancouver is absorbing practically all the wheat routed to this city, shipments ranging from 70,000 and others.

Carseland Centre-shots

Mr. and Mrs. Walter Phillips left last Friday morning for the U.S.A. They will be back to professional baseball. The community is a unit in wishing them every success. The Carseland team will feel the loss very keenly. Mrs. C. A. Phillips accompanied her son so far as Vancouver, where she will spend some time visiting her daughter, Mrs. Hugh Hobbes.

At the meeting of the Wheat Pool local last Saturday, much discussion took place about members, who, it was felt, had been less than honest in their wheat outside the pool. A committee was appointed to take the matter up with central office, and to map out some line of action by which to hold the members in line. The following account: What we are on the Wheat Pool subjects we might announce that notices are posted requesting all members to send to head office the certificate for the second wheat pool payment.

The delegates from the U.F.A. and U.P.W.A. to the annual convention left for Calgary the first of the week. Quite a number of Carseland farmers and farm women will be in attendance at the convention.

The next meeting of the U.F.A. will be held on Saturday, January 31, and then after regular meetings will be held on the second and fourth Saturdays of each month.

The Ladies Aid held a most enjoyable meeting last week at Mrs. Longsdale's.

The more we hear about the play being staged by the Carseland Dramatic Society, the more interested and anxious we are. At present the scene is being selected. In the very near future we will be treated to a very excellent entertainment.

Mrs. Gardner and Mrs. Ed. Nelson spent two or three days in Calgary last week.

The ice on the river is reported to be in very good shape, and skating is being enjoyed by many.

There seems to be a wide difference of opinion on the Egypt question between the editor of the U.F.A. and the editor of the Standard. It's my opinion that there is plenty of room for argument on both sides.

Two or three sled loads of folks from here attended the dance at Dalewood last Friday night. All reported a "dandy" time.

Homestead Map

A bird's eye view of opportunities for homesteading in the three Prairie Provinces is afforded prospective settlers by means of a small Land Map, just issued by the Natural Resources Intelligence Service of the Department of the Interior at Ottawa. The map shows the total number of quarter sections of vacant Dominion lands in each township and gives the intending settler an excellent idea of the districts in which free Crown lands may be secured through homesteading, also those districts in which quarter sections have been pretty well taken up.

The map also shows clearly the boundaries of areas "A", "B" and "C". In area "A" all remaining vacant Crown lands have been claimed and will be withdrawn from entry. They are, however, open for application for grazing leases. Area "B" comprises districts in which all vacant Crown lands have been claimed and will be withdrawn from entry. Area "C" includes those districts within which vacant Dominion land is still available for homesteading, as in the past.

The main object of the map is to provide those interested in homesteading with a general guide to the land

Hockey

Strathmore 5—Gleichen 3
Strathmore played a return game with Gleichen at Gleichen Wednesday evening, winning by the above score. Teams were as follows:

Gleichen—Wilson, goal; Wright, Williams, Gruen, Brown, left wing; Young, centre; Macleod, right wing; Jones, Lyons, Bobo, subs.
Strathmore—Giroux, goal; McFarland and Gannon, defence; G. Giroux, left wing; A. Giroux, centre; R. Thomas, as substitute; Gray and Bishop, subs.
Goals for Gleichen were scored by Brown and Young. For Strathmore by George Glomax (1), A. Giroux (2), McFarland (2).
Referee, Father Dougan.

Strathmore was superior in combination play. Gleichen, in goal, played a stout game. McFarland the captain, was the easiest and most effective man on the ice. The Giroux brothers, on the forward line, brought the fans to their feet by their effective hook check and deadly shots on goal.

The Gleichen fans gave the Strathmore players the clapping, and were loud in their applause for the great play they pulled off.

The fans left the rink stating that it was the best game ever played in Gleichen, and asking Strathmore to come again and give them another treat.

On Wednesday, January 14th, the Rinky Dinks and Dex Dicks played a tie game, resulting in a score of 3-3. The playoff took place on Saturday, January 16th. The Rinky Dinks won 3-2.

It is suggested that the government make separate land maps for each province, one of which covering Manitoba was issued recently, to be followed by others for Saskatchewan and Alberta, at the course of the next few years.

Langdon Locals

At the Bi-Weekly Meeting of the Langdon and Bow River Agricultural Societies, last week, Mr. Thomas L. Johnson was president; Mr. L. Little, vice-president; Mr. C. Clark, 2nd vice-president; and W. Acock, secretary-treasurer.

Mrs. C. Hillion, of Calgary, was a guest of her uncle, G. Henderson, during the week.

Clarion Rebekah Lodge No. 76, installed its new officers Monday evening, January 16th.

V. G.—Mr. R. Dye.

Fin. Sec.—Mrs. A. Smart.

Treas.—Mrs. G. Whitney.

Chaplain—Mrs. E. McNeil.

I. G.—Mr. E. Armstrong.

The performance given by the Musical Edwards at the Memorial Hall, was much enjoyed. There was a fair audience, considering travelling conditions.

Mr. Dan McNaughton, an oldtimer of the district, was here on a visit last week from his present home at New Westminster B.C. While here he made arrangements regarding the handling of his farm south-west of Strathmore for the present year.

Mrs. Parks, Mrs. Elsie Lloyd, and others were en route to the fairs for the last week. She and her husband were on their way to Ohio to visit his father.

Mr. David Jersey, an electrical engineer at Kananaskis, spent a few days with his parents, Mr. and Mrs. J. W. Jersey. He returned to his work on Sunday.

Mrs. W. Smith, weekend in Calgary, returned Sunday.

Mrs. S. Marshall, Mr. Clayton, Mr. E. Moore, Miss Elsie Kautz went to Calgary via the C.P.R. Sunday afternoon.

The W. L. "500" party last Friday was a success in every way. Much amusement was created by choosing partners with comic names, and calling them by those names all evening. Mr. D. Stander won the first prize, Mr. G. Craigie, med's 1st, Mrs. A. J. Studd, ladies consolation, and Mr. E. Armstrong, men's consolation. A singing contest brought out much amateur talent, and everyone went home feeling another party would be held soon.

Namaka Notes

On Thursday evening last, January 12th, several sleigh loads paid a visit to the newlyweds, Mr. and Mrs. Johnson. It was in the nature of a surprise. On Saturday evening they were finally joined to their host. After the usual congratulations had been extended, games were indulged in. Our worthy host must have been expert, being well equipped with the customary cigar. Around 12:30 p.m. the guests left, and about an hour after, Mac Kinnon hurried the happy couple into the centre of the room to the strains of "For They Are Jolly Good Fellows."

If the congregation, tributary to our church, were as ambitious as the pastor, the building would not be large enough. On Sunday last Mr. Rowe again walked all the way from Strathmore to hold service, to be replaced with Mr. L. F. Pilkerton, who attended the last service. This must be very discouraging after such a long walk, and the nice weather we are now experiencing.

A well attended meeting of the U.P.A. was held in the U.G.C. office on Saturday last.

School opened last Monday with Miss Margaret Bjork, of Athabasca, as teacher.

Mrs. L. F. Pilkerton was a Calgary visitor all last week.

The annual meeting of Elwood S. D. was held on Saturday, January 10th. Mr. T. A. Thomson was returned as trustee for the fourteenth year.

Harvey Hanson left for the U.P.A. convention as delegate for Numata local.

Jack Rabbits are numerous this year. The writer counted thirty-four at one time last week.

Mike Mason is doing some alterations to his house. J. Drummond is doing the work.

Mr. and Mrs. H. G. Praeker were Calgary visitors last week.

BESE DANIELS ARRIVES

Bebe's here! Come to the Memorial Saturday last in her first starring picture for Paramount, "Dangerous Money."

Bebe was never so alluring, so magnetic as in this one. Go see her put the danger in "Dangerous Money."

Tom Neary is leading man and there's a great deal playing in support.

You'll enjoy it!

Also on Saturday, "Plastigrams". Don't miss them.

The legality of M. D. Bow Valley's action in appointing a secretary means of a committee of three members, instead of by the full council, is being questioned, and developments are expected shortly, which will have the effect of making the annual rate of payers' meetings somewhat more interesting than it might have otherwise.

A local man opened up a business at the beginning of November, and made an assignment on the 1st of January, having been in business six weeks. Quick work. During that short period, however, he managed to get on the books of quite a number of local people.

The 1st Company, Girl Guides, Strathmore, went on their first hike on Saturday last. About a mile out of town a fire was kindled and a lovely lunch consisting of wiener, bun, potato and coffee was prepared by the guides. The Guides will meet at the home of Guido Lily on Tuesday for a social evening.

The weather of last week-end was in pleasing contrast to that of the preceding weeks. Sunday was comparatively warm and sunny, and every one was out for an airing.

SWINE CLUBS SUCCESSFUL YEAR

Group shot right: W. E. Watson, Assistant Agricultural Agent C.N.R., Winnipeg, and E. A. Johnson, Commissioner Lands and Colonization, and Peter Wiers, Vegreville, Alta. Front row: F. McNaughton and N. Shermer, from Strathmore, Alta. Below: A. McNaughton, from Strathmore, Alta., and members on their way to Toronto. Middle row: L. F. Pilkerton, from Elwood, Alta., and members on their way to the Canadian National Agricultural Winter Fair at Fort Frances, Ont. Left: Members of the Elwood Agricultural Club, from Elwood, Alta., and members on their way to the Canadian National Agricultural Winter Fair at Fort Frances, Ont.

"The Swine Clubs have had a most successful year, and we are pleased with the interest taken in our competition," said officials of the Alberta, Manitoba and Saskatchewan Department. "Since the success of the Canadian swine industry, particularly over 1,000 hogs during the past year, and particularly gratifying to note that in the last year the swine are exceptionally high standard. The 'carlons' which the boys and girls have been raising have won thirty to seventy per cent. selected bacon, which is a really remarkable record in view of the fact that the percentage of selected bacon received in ordinary shipments made."

Representatives from each club in the respective provinces have gathered in Winnipeg, Saskatoon and Edmonton for the annual general meeting in this competition, and as a result, the six boys whose names follow have been successful in winning the trip to the Canadian National Agricultural Winter Fair at Fort Frances, Ont., to compete in the Canadian National Railways have inaugurated the Hog Bon Homme Competition. While this is the first, produced in all classes of live stock.

The boys left on Monday, November 15th, for Fort Frances, where they had an opportunity of looking over the best that can be produced in all classes of live stock.

Successful Year for Union Bank

Annual Statement of Canada's Western Bank Discloses Great Strength in Liquid Assets.

The Union Bank of Canada, with its Head Office located in Winnipeg, represents in the banking world, and the sixteenth annual report, which was presented to the shareholders at an annual general meeting held on Tuesday, January 18th, will be of particular interest to all Western Canadians. Being sixteen annual reports to be made marks the diamond jubilee of the institution.

The year 1924 has seen a continuation of the unsettled business conditions which made the previous year, 1923, one of unusual difficulty for the banks and financial institutions. The balance sheet now made public is a striking tribute to the sound policy which has brought the year's business to such a successful conclusion. All legitimate requirements of customers have been met and an efficient nationwide banking service has been maintained.

One of the outstanding features of the report is the great strength of the Bank's Liquid Assets—those investments which are most liquid, quickly and readily converted into cash should the need arise. The ratio of these ill-edged, quickly convertible securities as compared to the Bank's total liabilities to the public is over 52% as against 49.5% at the close of 1923.

The profits earned during the year, together with the balance of profits carried over from 1923, give a total of \$1,229,116 available for distribution. This has provided for the payment of the four regular quarterly dividends amounting to \$60,000, the Dominion Government taxes \$124,587, and for the usual contribution of \$10,000 to the Officers' Pension Fund. Adhering to their conservative policy, the directors have wisely apportioned the remainder

of the profits to a reduction of \$25,600 in the value of Bank Premises, to the setting up of a contingent account of \$100,000, and to increasing the balance to be carried forward to next year.

The total assets stand at \$120,575,115 as shown by the balance sheet. The reserve and undivided profits are \$2,085,424. In common with the experience of other banks and investment institutions the period under review has shown a small contraction in the amount of deposits. Savings accounts represent \$6,957,204, and current accounts \$25,857,812 of total deposits of \$92,276,616.

It is to be noted that there is no item corresponding to the liability of \$100,000 to the Dominion Government, which appeared in the previous statement under the heading "Bank and Financial Institutions".

The balance sheet now made public has this year enabled it to take care of the peak load of business incident to the movement of Western Canada's crop without having to take advantage of that portion of the Finance Act which permits borrowing from the Government for this purpose.

Shareholders, depositors and the public generally, will commend the excellent guidance of the Bank's affairs, which has brought such success to the shareholders, and at the same time has not only maintained the already strong position of the Bank in relation to its liabilities to the public, but has improved it, and the statement also reflects much credit on Western Canada, the source of which has resulted in a spirit of support and confidence which has enabled the Union Bank to make such a good showing.

IMPORT FINE SHEEP

One of the largest herds of purebred registered Rambouillet sheep ever imported into Alberta was unloaded at Raymond on December 24th. The flock included 1339 animals for the ranch of Ray Knight at Raymond.

Dalemead Doings

Mr. W. Gilbert left on January 15th for Toronto, Ont., where he will be visiting for some time.

The U.P.A. held their meeting on January 16th, in the afternoon, and discussed the resolutions before the annual convention.

Mr. P. Bowe, from Red Hill Alta., is visiting Mr. and Mrs. Stewart these days.

The Social Club held a very successful dance Friday evening, January 16th, when a large crowd turned out, not only from the Dalemead district but also from the surrounding towns. The Chapman's orchestra supplied the music and everybody had a grand time.

Andrew Vanderveldt held a pound sale on January 17, when about nine horses were sold.

Plastigrams Jan. 24th

Do you remember the old stereopticons that used to be in the front parlor of every home in the old days? When you looked through this device at an apparently ordinary picture postcard, you got the same effect as if you were looking at the actual scene. The project seemed to stand out to the foreground exactly as it did in clay.

It is a far cry from the stereopticon to the Plastigram, the new screen novelty, because as you look at the picture on the screen, through the special glasses, the objects on the screen seem to jump right out and hit you in the eye.

Plastigrams is undoubtedly the most thrilling and unique screen novelty that has ever been produced.

The Memorial Hall has arranged to show Plastigrams on January 24th, and the management of the theatre will supply the special glasses, which it is essential to use in looking at this picture, free of charge.

Don't miss seeing this novelty subject. Be sure and bring the children.

ADDITIONS REPORT TO THE SHAREHOLDERS

We have compared the above Statement of Liabilities and Assets at the close of the financial year, with the certified returns from the Branches.

We have also examined the books of the Bank and investments of the Bank at the close of the financial year, when we also checked the cash at the Chief Office. During the year we checked the cash and verified the securities at several of the Branches.

We report that we have obtained all the information and explanations which we have required; that all transactions, including the issue of shares, have been properly accounted for; that the above Statement of Liabilities and Assets as at 29th November, 1924, is, in our opinion, properly drawn up as to the financial condition of the Bank, and that the same is correct in all respects.
